# 1. ENGINEER'S LETTER

**WHEREAS**, the City Council of the City of San Jacinto ("City"), State of California, directed NBS Government Finance Group, DBA NBS, to prepare and file a report presenting plans and specifications describing the general nature, location and extent of the improvements to be maintained and an estimate of the costs of the maintenance, operations and servicing of the improvements for the City of San Jacinto Landscaping, Lighting and Park District No. 2 ("District") for Fiscal Year 2016/17.

**WHEREAS,** the report includes a diagram for the District, showing the area and properties proposed to be assessed, an assessment of the estimated costs of the maintenance, operations and servicing the improvements, and the net amount to be assessed upon all assessable lots and/or parcels within the District in proportion to the special benefit received; and

**WHEREAS**, the assessment rates and the annual rate escalation factor of the Los Angeles-Anaheim-Riverside area for all urban consumers C.P.I. (not to exceed 7.5%) were approved by property owners through the assessment balloting procedures set forth in Article XIII D Section 4 of the California Constitution (Proposition 218).

**NOW THEREFORE**, the assessments as detailed in this Engineer's Report and as summarized in the table below are made to cover the portion of the estimated costs of maintenance, operation and servicing of said improvements to be paid by the assessable real property within the District in proportion to the special benefit received.

| Description | Maximum Amount | Actual Amount |
|---|---|---|
| Street Light and Traffic Signal Maintenance Levy | $619,458.17 | $329,832.45 |
| Park Maintenance Levy | 2,196,282.04 | 1,242,669.01 |
| Landscape Maintenance Levy | 955,033.66 | 295,030.53 |
| Storm Drain Levy | 1,692,491.68 | 849,930.75 |
| Detention Basin | 0.00 | 0.00 |
| Graffiti Removal | 412,422.65 | 183,879.27 |
| Sidewalk Maintenance Levy | 4,834.72 | 1,330.85 |
| Adjustments | (23.23) | (945.34) |
| **Total** | **$5,880,499.69** | **$2,901,727.52** |

I, the undersigned, respectfully submit the enclosed Engineer's Report and, to the best of my knowledge, information and belief, the Engineer's Report, Assessments, and the Assessment Diagram herein have been prepared, computed and levied in accordance with the assessment methodology adopted, approved and ordered by the City Council of the City of San Jacinto at the time of District formation and annexations.

NBS

# 2. OVERVIEW

## 2.1 Introduction

This Annual Engineer's Report ("Report") describes the City of San Jacinto Landscaping, Lighting, and Park District No. 2 and the charge per Assessment Unit (AU) for Fiscal Year 2016/17 based on the historical and estimated cost to maintain the improvements and provide the services that benefit parcels within the District. This District, by special benefit assessments, provides funding for the installation, operation, maintenance and servicing of: street lights and traffic signals; landscaped areas (parkways, medians, open space, detention/retention basins, etc.); municipal parks; drainage facilities; graffiti removal from horizontal and vertical surfaces which are appurtenant to the above items; all of which are located in public rights-of-way or easements in the District. The District is divided into multiple zones to allow the assessments to properly match the special benefits provided by the improvements to the assessed parcels within the District.

The word "parcel," for the purposes of this report, refers to an individual property assigned its own assessor's parcel number by the Riverside County Assessor's Office. The Riverside County Auditor/Controller uses assessor's parcel numbers and specific fund numbers to identify on the tax roll properties assessed for special district benefit assessments.

Following consideration of public comments at a noticed public hearing, and review of the Final Annual Engineer's Report, the City Council may confirm the report as submitted and order the levy and collection of assessments for Fiscal Year 2016/17. If approved, the assessment information shall be submitted to the County Auditor/Controller, and included on the property tax roll for each benefiting parcel for Fiscal Year 2016/17.

## 2.2 Effect of Proposition 218

On November 5, 1996, California voters approved Proposition 218 by a margin of 56.5% to 43.5%. The provisions of the Proposition, now California Constitutional Articles XIII C and XIII D, adds substantive and procedural requirements to assessments, which affect the City of San Jacinto lighting maintenance assessments.

The City Council intends to increase the maximum assessments, on an annual basis when necessary, in accordance with the Consumer Price Index for all Urban Consumers for the Los Angeles-Anaheim-Riverside area as of January, published by the United States Department of Labor, Bureau of Labor Statistics; provided, however, that any annual increase shall not exceed seven and one-half percent (7.5%). The maximum assessments are being increased by 3.10% for Fiscal Year 2016/17.

# 3. PLANS, SPECIFICATIONS AND IMPROVEMENTS

Plans, specifications and improvements for the Landscaping, Lighting, and Park District No. 2 have been prepared and have been approved as part of the improvement plans and each annexation Engineer's Report. In accordance with the conditions of approval and by reference they are made part of this report to the same extent as if said plans, specifications and improvements were attached hereto. Plans and exhibits defining the boundaries of the proposed annexation and the maintenance area are on file and available for review at the office of the City Engineer and, in conjunction with County Assessor's maps of the area to be annexed, comprise the assessment diagrams for the respective annexations.

The City Council in the Resolutions of Initiation and Intent for Fiscal Year 2014/15, in accordance with the Streets and Highways Code Section 22622, added a flood control basin to the improvements maintained in Zone 38 (Coventry Acres). The flood control basin is composed of lots 1 through 12, inclusive, and lots 78 through 83, inclusive, of Tract Number 31097, in the City of San Jacinto, County of Riverside, State of California, as per map recorded in Book 398 pages 94 through 103, inclusive, of maps, in the Office of the Riverside County Recorder. The lots that compose the flood control basin are also known as Assessor's Parcel Numbers 434-520-001-9 through 434-520-012-9, inclusive, and 434-522-001-5 through 434-522-006-0, inclusive. The addition of the flood control basin to the improvements maintained by Zone 38 will not result in an increase to the annual maximum assessment as increased by the annual inflator, approved by the property owners, and assessable on real property within the boundaries of Zone 38. The flood control basin is necessary to protect the Tract and Zone improvements from flooding until other flood control measures are in place.

# 4. ESTIMATE OF COSTS

The following tables provide an estimate of the costs of the improvements for Fiscal Year 2016/17. These costs can include a reserve fund to cover a six-month portion of maintenance and servicing costs as well as an amount of surplus or deficit in the improvement fund from a previous fiscal year. The tables reflect the maximum amounts as well as actual amounts that will be levied for each zone.

# 5. METHOD OF APPORTIONMENT

## 5.1 Method of Apportionment

The net amount to be assessed upon parcels within the District in accordance with this report is apportioned by a formula and method which fairly distributes the amount among all assessable lots or parcels in proportion to the estimated special benefit to be received by each lot or parcel from the improvements, namely the maintenance and servicing of public landscaping, lighting and park facilities within the District. The maintenance and servicing of public landscaping, lighting, park facilities and street trees installed and constructed in public places in the City of San Jacinto provides a special benefit which is received by each and every lot or parcel within the specified zones of benefit in the District. Landscaping and street trees within the District enhance the aesthetic appeal of parcels within the landscaping and street tree zones. Such landscaping improves erosion resistance and dust control. Street lights improve ingress and egress of such lots or parcels by illuminating access after sunset. Such street lights, by so improving ingress and egress, improve the security of such lots or parcels by improving the nighttime visibility of such lots or parcels and improve the access of emergency vehicles thereto, and in the case of commercial lots or parcels, facilitate the opening and operation of business uses after sunset.

The primary benefits of landscaping and street trees are as set forth below.

1. Improved aesthetic appeal of nearby parcels.
2. Green space within the urban environment.
3. Enhances wind breaks.
4. Improved erosion resistance.
5. Improved dust control.
6. Tends to instill a sense of pride within the neighborhood.
7. The enhancement of the value of property which results from the foregoing benefits.

The primary benefits of municipal parks are as set forth below.

1. Designated sites where children may gather to play without danger from traffic.
2. Designated sites where adult, youth and family activities can take place (i.e., picnics, baseball and softball leagues, soccer leagues, other athletic activities, art festivals, animal shows and training, etc.)
3. Green space and open space within the urban environment.
4. Availability of public restrooms.
5. The enhancement of the value of property which results from the foregoing benefits.

The primary benefits of street lighting are set forth below:

1. Improvement to traffic circulation and reduction in nighttime accidents and attendant human misery and decrease in personal property loss.

2. The deterrence of crime and the aid to police protection.

3. Promotion of business during nighttime hours.

4. Increased nighttime safety on roads and highways.

5. The improved ability of pedestrians and motorists to see, which helps people safely find their way.

6. Improved ingress and egress to lots and parcels.

7. Reduction in vandalism and other criminal acts, and reduced damage to improvements.

8. The enhancement to the value of property which results from the foregoing benefits.

## 5.2 Assessment Formula

The basic formula used to calculate the amount spread to each lot or parcel within the District for each type of improvement or facility starts with an assessment unit (AU). The basic AU is given a value of one (1) for a single-family residential parcel. From this base, the remaining parcels are related according to their equivalent special benefit within a zone or future annexation. The purpose of this formula is to fairly equate special benefit conferred on property with differing land uses for each type of improvement or facility within a zone (e.g., single-family residential versus commercial office versus vacant property, for street lighting).

## 5.3 Assessment Unit Method

The following table shows the assessment formula using the AU method for common land uses:

| Land Use | Landscaping Assessment Formula | Lighting Assessment Formula | Park Assessment Formula | Graffiti Removal | Drainage Assessment Formula |
|---|---|---|---|---|---|
| Residential Single Family | 1.0 AU per Residential Unit | 1.0 AU per Residential Unit | 1.0 AU per Residential Unit | 1.0 AU per Residential Unit | 1.0 AU per Residential Unit |
| Commercial/ Industrial | 3.0 AU per Assessable Acre | 3.0 AU per Assessable Acre | 3.0 AU per Assessable Acre | 3.0 AU per Assessable Acre | 3.0 AU per Assessable Acre |
| Apartments | 0.6 AU per Parcel | 0.6 AU per Parcel | 0.6 AU per Parcel | 0.6 AU per Parcel | 0.6 AU per Parcel |
| Public Schools | 0.0 AU per Parcel | 0.5 AU per Assessable Acre | 0.0 AU per Parcel | 0.5 AU per Assessable Acre | 0.5 AU per Assessable Acre |
| Churches | 0.5 AU per Assessable Acre | 0.5 AU per Assessable Acre | 0.5 AU per Assessable Acre | 0.5 AU per Assessable Acre | 0.5 AU per Assessable Acre |

# 6. ASSESSMENT DIAGRAM

The assessment diagrams for each zone have been prepared in accordance with the Landscaping and Lighting Act of 1972 and are on file with the City. The lines and dimensions shown on maps of the County Assessor for the current year are incorporated by reference herein and made part of this report. All parcels of real property included within the District are described in detail on the assessor's maps.

# 7. ASSESSMENT ROLL

The assessment roll is provided on the following pages. The description of each lot or parcel as part of the records of the County Assessor are by reference made part of this Report.

# City of San Jacinto
