

CITY OF SAN JACINTO GENERAL PLAN

ADOPTED MAY 4, 2006

AMENDED OCTOBER 19, 2012

(Resolution No. 3444, GPA 1-12)

**CITY OF SAN JACINTO
FINAL GENERAL PLAN**

**MAY 2006
AMENDED OCTOBER 2012**

Table of Contents

Section	Page
 INTRODUCTION TO THE GENERAL PLAN	
San Jacinto Planning Area.....	I-1
History of the Community.....	I-2
Vision for the Future of San Jacinto.....	I-4
Purpose of the General Plan	I-5
General Plan Organization and Use.....	I-6
Direction to the Future.....	I-7
Supporting Documentation	I-7
Community Participation in the General Plan Program.....	I-8
 LAND USE ELEMENT	
Introduction	
Purpose of the Land Use Element.....	LU-1
Scope and Content of the Land Use Element	LU-2
Related Plans and Programs.....	LU-2
Relationship to Other General Plan Elements.....	LU-6
 Issues, Goals and Policies	
Balance of Land Uses.....	LU-7

Manage and Direct Growth..... LU-8
 Environmental Compatibility LU-9
 Land Use and Circulation Compatibility..... LU-10
 Downtown Rejuvenation..... LU-11

TABLE OF CONTENTS (cont.)

Resource Preservation..... LU-12
 Economic Development..... LU-13
 Community Design..... LU-14

Land Use Plan

Balance of Land Uses..... LU-16
 Land Use Classification System..... LU-17
 Land Use Density and Intensity LU-23
 Land Use Designations..... LU-24
 Development Capacity..... LU-29
 Manage and Direct Growth..... LU-31
 Environmental Compatibility LU-32
 Land Use and Circulation Compatibility..... LU-35
 Downtown Rejuvenation..... LU-35
 Economic Development..... LU-36
 Resource Preservation and Community Design..... LU-37

Appendix: Implementation Program Appendix LU-1

COMMUNITY SERVICES AND FACILITIES ELEMENT

Introduction

Purpose of the Community Services and Facilities Element..... CSF-1
 Scope and Content of the Community Services and Facilities Element..... CSF-1
 Related Plans and Programs..... CSF-1
 Relationship to Other General Plan Elements..... CSF-4

Issues, Goals and Policies

Law Enforcement..... CSF-5
 Fire Protection..... CSF-6
 Public Education CSF-6
 Water Service..... CSF-7

Sewer ServiceCSF-8
PowerCSF-8
CommunicationCSF-9
Flood Control.....CSF-9
Waste Disposal.....CSF-10
Recreation and Open SpaceCSF-10
Libraries.....CSF-11
Senior and Youth ServicesCSF-11
Human ResourcesCSF-12

TABLE OF CONTENTS (cont.)

Community Services and Facilities Plan

Law Enforcement..... CSF-13
 Fire Protection CSF-13
 Public Education CSF-14
 Water Service CSF-17
 Sewer Service CSF-17
 Power CSF-17
 Communication CSF-17
 Flood Control..... CSF-17
 Waste Disposal..... CSF-17
 Recreation and Open Space CSF-18
 Libraries..... CSF-28
 Senior and Youth Services CSF-28
 Human Resources CSF-28

Appendix: Implementation Program Appendix CSF-1

CIRCULATION ELEMENT

Introduction

Purpose of the Circulation Element C-1
 Scope and Content of the Circulation Element C-2
 Related Plans and Programs C-3
 Relationship to Other General Plan Elements C-5

Issues, Goals and Policies

Local Circulation System C-7
 Regional Circulation System C-8
 State Route 79 (SR79)..... C-9
 Alternative Modes of Travel C-9
 Trails System C-10
 Transportation Demand Management C-11

Circulation Plan

Local and Regional Circulation SystemC-12
State Route 79 (SR79)..... C-17
Alternative Modes of Travel C-18
Trails System C-21
Transportation Demand Management C-21

TABLE OF CONTENTS (cont.)

Appendix: Implementation ProgramAppendix C-1

RESOURCE MANAGEMENT ELEMENT

Introduction

Purpose of the Resource Management Element RM-1
 Scope and Content of the Resource Management Element RM-2
 Related Plans and Programs RM-2
 Relationship to Other General Plan Elements RM-5

Issues, Goals and Policies

Natural Resources RM-6
 Water Resources RM-7
 Compatible Development RM-8
 Cultural Resources RM-9
 Agricultural Resources RM-9
 Air Quality RM-10
 Energy Conservation RM-11

Resources Management Plan

Natural Resources RM-12
 Water Resources RM-21
 Compatible Development RM-22
 Air Quality RM-27
 Agricultural Resources RM-27
 Energy Conservation RM-33

Appendix: Implementation ProgramAppendix RM-1

PUBLIC SAFETY ELEMENT

Introduction

Purpose of the Public Safety Element PS-1

Scope and Content of the Public Safety Element..... PS-1
Related Plans and Programs..... PS-2
Relationship to Other General Plan Elements..... PS-4

TABLE OF CONTENTS (cont.)

Issues, Goals and Policies

Natural Hazards PS-5
 Human Activity Hazards PS-6
 Emergency Preparedness..... PS-7

Safety Plan

Natural Hazards PS-8
 Human Activity Hazards PS-19
 Emergency Preparedness..... PS-22

Appendix: Implementation Program..... PS-1

NOISE ELEMENT

Introduction

Purpose of the Noise Element N-1
 Scope and Content of the Noise Element N-1
 Related Plans and Programs N-2
 Relationship to Other General Plan Elements N-3

Issues, Goals and Policies

Noise and Land Use Planning N-4
 Transportation Related Noise..... N-4
 Non-Transportation Related Noise..... N-5

Noise Plan

Noise and Land Use Planning N-6
 Transportation Related Noise..... N-9
 Non-Transportation Related Noise..... N-13

Appendix: Implementation Program..... Appendix N-1

TABLE OF CONTENTS (cont.)

HOUSING ELEMENT

Introduction

Purpose of the Housing Element H-1
 Scope and Content of the Housing Element H-1
 Related Plans and Programs H-2
 Relationship to Other General Plan Elements H-3
 Community Participation H-3

Goals and Policies

Conserve and Improve Affordable Housing H-5
 Provide Adequate Housing Sites H-6
 Assist in the Provision of Housing H-6
 Remove Governmental Constraints H-7
 Promote Equal Housing Opportunities H-7

Housing Programs

Conserve and Improve Affordable Housing H-8
 Provide Adequate Housing Sites H-10
 Facilitate the Provision of Affordable Housing H-11
 Remove Governmental Constraints H-14
 Promote Equal Housing Opportunities H-18

Quantified Objectives

APPENDIX A: HOUSING TECHNICAL REPORT & APPENDICES A-D

APPENDIX B: GENERAL PLAN GLOSSARY

LIST OF TABLES

Table *Page*

INTRODUCTION

I-1 Relationship of San Jacinto General Plan Elements to State-mandated ElementsI-6

LAND USE ELEMENT

LU-1 General Plan and Zoning Consistency Matrix LU-4
 LU-2 Land Use Classification System..... LU-18
 LU-3 Land Use Plan LU-30

COMMUNITY SERVICES AND FACILITIES ELEMENT

CSF-1 Existing Parks and Recreational Facilities Inventory CSF-23
 CSF-2 Planned Parks and Recreational Facilities..... CSF-24
 CSF-3 Existing and Future Park Acreage Needs CSF-24

CIRCULATION ELEMENT

C-1 Overview of Street Classifications C-13
 C-2 Intersection Level of Service Criteria..... C-16

NOISE ELEMENT

N-1 Interior and Exterior Noise Standards N-7
 N-2 Noise/Land Use Compatibility Matrix Noise Contours and Noise Impact AreasN-8

LIST OF FIGURES

Section	Page
INTRODUCTION
