## INDEPENDENT AUDITORS' REPORT

The Honorable City Council  
City of San Jacinto, California

We have audited the accompanying financial statements of the SB 621 Gaming Impact Grants Fund (Fund) of the City of San Jacinto, California (City) as of and for the year ended June 30, 2011, as listed in the table of contents. These financial statements are the responsibility of the City's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the City's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amount and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the financial statements present only the SB 621 Gaming Impact Grants Fund and do not purport to, and do not, present fairly the financial position, or, where applicable, the cash flows of the City of San Jacinto, as of June 30, 2011, and the changes in its financial position for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to previously present fairly, in all material aspects, the financial position of the SB 621 Gaming Impact Fund of the City of San Jacinto, California as of June 30, 2011, and the changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated March 9, 2012 on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

*NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES*

The City of San Jacinto was incorporated on April 20, 1888, under the laws of the State of California and enjoys all the rights and privileges applicable to a general law city. It is governed by an elected five-member City Council.

The following is a summary of the significant accounting policies of the City of San Jacinto as they pertain to the SB 621 Gaming Impact Grants Fund. Only the SB 621 Gaming Impact Grants Fund information is included herein and these financial statements, therefore, do not purport to represent the financial position or results of operations of the City of San Jacinto, California.

SB 621 Gaming Impact Grants Fund

In the fiscal year 2010-2011, the City of San Jacinto was awarded three grants with a term of agreement dated July 1, 2011 through June 30, 2012 from the Riverside County Indian Gaming Local Community Benefit Committee (the Committee), in accordance with the provisions of Senate Bill 621 (SB 621) for the purpose of supporting local government agencies impacted by tribal government gaming. Under the terms of the agreement the City is required to submit an annual financial audit covering the fiscal year in which funds are received.

Under SB 621, the Committee is comprised of two representatives of the county selected by the county Board of Supervisors, three elected representatives from cities located within four miles of a tribal casino in the county, and two representatives selected upon the recommendations of a majority of tribes paying into the Indian Gaming Special Distribution Fund. The Committee is responsible for the selection of grant projects and submission of a list of approved projects to the State Controller in accordance with the provisions of SB 621. In addition, SB 621 requires the grant program be administered through the County of Riverside, which is entitled to an administrative fee up to a maximum of two percent (2%) of the awarded funds.

Basis of Accounting

These fund financial statements are reported using the modified-accrual basis of accounting. Under the modified-accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e. when they are both measurable and available). "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter (within 60 days) to be used to pay liabilities of the current period. Expenditures are generally recognized in the accounting period in which the liability is incurred, if measurable.

Use of Estimates in the Preparation of Financial Statements

The financial statements have been prepared in accordance with generally accepted accounting principles and necessarily include amounts based on estimates and assumptions by management. Actual results could differ from those amounts.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF  
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS**

The Honorable City Council  
City of San Jacinto, California

We have audited the financial statements of the SB 621 Gaming Impact Grants Fund (The Fund) of the City of San Jacinto, California (City), as of and for the year ended June 30, 2011, and have issued our report thereon dated March 9, 2012. The financial statements present only the SB 621 Gaming Impact Grants Fund and do not purport to, and do not, present fairly the financial position of the City of San Jacinto, California. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

**Internal Control Over Financial Reporting**

Management of the fund is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the Fund's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Fund's internal control over financial reporting.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatement on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Fund's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Fund's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the City's management, City Council, and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.
