

SAN JACINTO COMMUNITY CLEAN UP

The City of San Jacinto has chosen your neighborhood for a community clean up!

Specifically, all homes located on Victoria Street, between State and 7th Street will receive first-hand attention from city staff and volunteers. All we ask in return is for you to assist us in sprucing up your neighborhood!

We will come out and trim trees, paint curbs and help you dispose of unwanted “household” items. You can help us by painting walls, performing landscape work and general cleanup of properties.

Saturday October 4, 2008 8 a.m. to 12 p.m.

This special clean up is for normal “household in nature” debris, such as tree trimmings, trash and furniture/appliance items. All tree limbs must be bundled in three (3) foot lengths and tied. No automotive parts will be accepted. Please No Electronic-Waste or Tires.

NO HAZARDOUS MATERIAL* or liquids of any kind will be accepted at this clean up. For information on the next County of Riverside Household Hazardous Waste Collection, please call the County of Riverside’s information hotline at (800) 304-2226, or visit their website at www.rivcowm.org.

* It’s against the law to dispose of hazardous waste in the trash. Please DO NOT jeopardize the safety of children or refuse workers by discarding hazardous materials at the curb.
