

HOUSEHOLD HAZARDOUS WASTE COLLECTION EVENT

The County of Riverside Waste Management Department is pleased to announce the opening of the Household Hazardous Waste Community Collection Event for the residents of San Jacinto, and Riverside County. The collection event will be located at the City of San Jacinto, old City Corporation Yard, located at 910 Industrial Way (cross of Grand Avenue) in San Jacinto, CA. The date and schedule (**weather permitting**) are as follows:

**SATURDAY, FEBRUARY 28, 2009
FROM 9:00 A.M. UNTIL 2:00 P.M.**

The Household Hazardous Waste Community Collection Center will accept household hazardous wastes from Riverside County Residents only. Typical wastes, found around the home include: waste oil, waste paint, floor wax, spot remover, drain cleaner, aerosol cans, weed killer, fertilizer, antifreeze, pesticides, pool chlorine, household and auto batteries, cleaning solvents, corrosive liquids, and medical sharps, which are the most common household hazardous items. **You cannot transport hazardous waste liquids greater than 5-gallons or exceed 50-pounds maximum per trip/per vehicle.** Electronic wastes, such as computers and televisions, printers, fax machines, telephones and microwave ovens, will also be accepted.

If you have any further concerns, please contact one of the following offices: Household Hazardous Waste Information Hotline (800) 304-2226, Hemet (951) 766-6524, or City of San Jacinto at (951) 654-4041.
