

# HOW TO USE THE INTERNET TO SUCCESSFULLY MARKET YOUR BUSINESS

**PRESENTED BY**

**JOHN NEWELL, SENIOR PARTNER  
QUALITY MANAGEMENT SERVICES**

**SCORE** provides **FREE** counseling to entrepreneurs in the Inland Empire. More than 20 experienced business executives with a wide variety of business backgrounds donate their time to help you start or improve your business.

- **You can set up a winning website that cuts through the hype**
- **Make your business real money online**
- **Even if you know nothing about the Internet**

You will learn how to create an effective Web site ready to accept lots of traffic, how to drive that traffic from multiple sources and most importantly, how to convert those visitors into customers.

**John Newell** is a senior partner in the Web development firm Quality Management Services located in Corona, CA. With more than 25 years custom programming experience and 16 years in custom Web development, John has specialized in the development and promotion of database driven Web sites for the last 12 years.
