A program called "Best Gardening Tips for Spring" will be presented from 3 to 5 p.m. Tuesday at the San Jacinto Public Library in celebration of spring.

Trevor Drown, a library employee, will share gardening tips and show the film "Five Secrets of Great Gardening," according to a library news release. Families will have a chance to start a vegetable garden by planting seeds and a chance to win prizes.

For information about the program, call the library at 951-654-8635.
