

Beginning Bird Walk

In partnership with the
San Bernardino Valley
Audubon Society

Sunday, March 4, 2012

Date: 3/4/2012 8:00 AM– 10:00 AM

Location: San Jacinto Wildlife Area
Riverside County -
East of Lake Perris
State Recreational Area

Visiting the wildlife area in winter allows great opportunities to view waterfowl, shorebirds and raptors. For those of you who are just beginning the wonderful pastime of bird watching, please join us for a fun, slow-paced morning of birding in one of our local wildlife habitats. Our goal will be to teach you enough basic birding techniques and identification skills so that you will feel comfortable birding on your own or joining our longer birding trips throughout the year. We will introduce you to some of our local bird species. You may be surprised at what wonderful birds can be seen!

Wear comfortable walking shoes, hats and sunscreen and bring water and binoculars. The walk is free and no reservations are needed. Everyone is welcome.

We will meet at the main parking lot at the wildlife headquarters. From Riverside go south on I-215 then east on Ramona Expressway. Turn north (left) on Davis Road which soon becomes dirt. The entrance to the wildlife area is approximately 3 miles down Davis Road on the right. Turn here and the parking area will be on your left. You can no longer enter the wildlife area from the north. Please contact Doug Karalun for further information. Rain or other conditions may cause last minute changes. You may call ahead to confirm location and time.

Contact: Doug Karalun (909) 425-5355 or dkaralun@roadrunner.com
